

## **News Media**

Over the course of a school year, Navigate-NIDES occasionally receives requests from the news media to interview, photograph or videotape individual or groups of students in connection with stories the media are working on. The media is sometimes invited to school functions to publicize events. As a public body, we attempt to cooperate with the media whenever possible. However, your right to personal privacy is our priority. Therefore, we ask that this consent form be signed and returned to the school so we can respect your wish for family privacy.

(School staff cannot control news media access or photos/videos at public locations (e.g. field trips) or school events open to the public, such as sports tournaments, student performances, school board meetings, etc.)
